

2734B: Updating Your Database Development Skills to Microsoft® SQL Server™ 2005

Contents

Introduction	
Course Materials.....	2
Prerequisites	3
Course Outline.....	4
Setup.....	6
Product Update Information	7
Microsoft Learning.....	8
Microsoft Learning Product Types.....	9
Microsoft Certified Professional Program.....	11
Facilities	14
Module 1: SQL Server 2005 Overview	
Overview	1
Lesson: SQL Server 2005 Components and Architecture	2
Lesson: SQL Server Developer Tools	10
Lesson: SQL Server 2005 Security Implementation	18
Lab 1: Exploring SQL Server 2005.....	22
Module 2: Transact-SQL Enhancements in SQL Server 2005	
Overview	1
Lesson: Data Definition Language Enhancements.....	2
Lesson: Data Manipulation Language Enhancements.....	15
Lesson: Structured Exception Handling	42
Lab 2: Programming with Transact-SQL.....	49
Module 3: Using XML in SQL Server 2005	
Overview	1
Lesson: XML Enhancements in SQL Server 2005.....	2
Lesson: The xml Data Type.....	11
Lesson: Using XQuery	29
Lab 3: Working with XML.....	45
Module 4: Using Service Broker	
Overview	1
Lesson: Service Broker Architecture.....	2
Lesson: Using Service Broker.....	15
Lab 4: Using Service Broker	35

Module 5: Using Native HTTP Support	
Overview	1
Lesson: Native HTTP Support in SQL Server 2005.....	2
Lesson: Configuring Native HTTP Support	8
Demonstration: Creating a Web Service	21
Lab 5: Implementing a Web Service with HTTP Endpoints	24
Module 6: Using Notification Services	
Overview	1
Lesson: Notification Services Architecture	2
Lesson: Building Notification Services Solutions.....	12
Lab 6: Using Notification Services	36
Module 7: Using the .NET CLR in SQL Server 2005	
Overview	1
Lesson: SQL Server and the .NET CLR.....	2
Lesson: Implementing Managed Code in SQL Server 2005	14
Lab 7: Implementing Managed Code in the Database.....	39
Course Evaluation.....	55
Module 8: Developing Client Applications	
Overview	1
Lesson: Developing Clients with ADO.NET	2
Lesson: Data Binding in .NET Framework 2.0	14
Module 9: Using SQL Management Objects	
Overview	1
Lesson: Introduction to SQL Management Objects.....	2
Lesson: Replication Management Objects	17
Lab 9: Using SQL Management Objects.....	23
